✏ELTE Hands and Feet quiz 246□□

1. The audience _____ their hands loudly after the performance. (strike your hands together to show appreciation□)

A tapped

✓ B clapped

C rubbed

D pointed

i Clap your hands means to strike your palms together repeatedly to show appreciation or approval.

2. He _____ his fingers to get his friend's attention. (make a sharp clicking sound with your fingers)

✓ A snapped

B crossed

C curled

D rubbed

i Snap your fingers means to produce a short, sharp clicking sound by flicking a finger against your thumb.

3. The teacher _____ at the correct answer on the board. (direct a finger towards something □)

A wiggled

B clapped

✓ C pointed

D tapped

i Point at something means to direct your finger towards it to show its location or draw attention to it.

4. She _____ her fingers on the table while waiting impatiently. (touch something lightly and repeatedly)

✓ **A** tapped

B snapped

C curled

D rubbed

i Tap your fingers means to touch a surface lightly and repeatedly, sometimes showing impatience or nervousness.

5. He _____ his hands together to warm them up on the cold morning. (move your palms against each other)

A crossed

✓ **B** rubbed

C pointed

D snapped

i Rub your hands together means to move your palms back and forth against each other, often to warm them.

6. The two friends _____ fists to celebrate their victory. (touch each other's closed fists□□)

A crossed

B tapped

✓ **C** bumped

D curled

i Fist-bump means to touch another person's closed fist with your own as a friendly greeting or celebration.

7. The manager gave me a _____ to show that my work was excellent. (raise your thumb to show approval□)

A finger

B clap

✓ **C** thumbs-up

D snap

i Give someone a thumbs-up means to raise your thumb to express approval, agreement or encouragement.

8. I'm _____my fingers that I pass my driving test tomorrow. (make a gesture to wish for good luck)

A folding

✓ B crossing

C looking at

D snapping

i Cross your fingers means to cross one finger over another to express hope for good luck or a positive result.

9. The angry driver gave the other driver the _____ after being cut off. (raise your middle finger as an insult)

A thumb

B palm

✓ C finger

D fist

i Give someone the finger means to raise your middle finger as an offensive gesture expressing anger or disrespect.

10. She _____ her toes happily in the warm sand on the beach. (move your toes around)

A stubbed

✓ B wiggled

C dug

D curled

i Wiggle your toes means to move your toes with small, repeated movements.

11. When his feet touched the icy water, he _____ his toes because of the cold. (bend your toes inward)

✓ A curled

B snapped

C rubbed

D tapped

i Curl your toes means to bend your toes inward, sometimes as a reaction to cold, discomfort or tension.

12. The children _____ into the bedroom so they wouldn't wake the baby. (walk quietly on the tips of your toes)

A clapped

B tapped

✓ C tiptoed

D fist-bumped

i Tiptoe means to walk on the tips of your toes to avoid making noise. The past tense is tiptoed.

13. I _____ my toe against the table leg, and it hurt terribly! (accidentally hit your toe against something hard)

A wiggled

✓ B stubbed

C curled

D crossed

i Stub your toe means to accidentally hit your toe against a hard object, causing sudden pain.

14. Despite everyone's advice, he dug his _____ in and refused to change his decision. (stubbornly refuse to change your mind)

A toes

B fingers

✓ C heels

D palms

i Dig your heels in means to stubbornly refuse to change your opinion or decision. It is an idiom, so the expression is not necessarily describing a physical action.

15. The angry child began to _____ his feet on the floor because his parents refused to buy him a toy. (bring your feet down heavily to show anger or impatience)

A shuffle

✓ B stamp

C drag

D tap

i Stamp your feet means to bring your feet down hard on the ground, often to express anger, frustration or impatience.
