# ELTE Binomials quiz 9 – Answer Key

## Answer Key:

1. **'Loud and clear'** means easily understood and unambiguous, often used to confirm that a message has been received and comprehended.
2. **'Give and take'** in friendships refers to mutual exchange and compromise, essential for maintaining balanced and healthy relationships.
3. **'Ups and downs'** refers to the good and bad times in life, highlighting the fluctuating nature of experiences and emotions.
4. **'Short and sweet'** means brief and to the point, often used to describe presentations or speeches that are concise and effective.
5. **'Give or take'** means approximately, with some variation, often used in estimations to indicate a range of possible values.
6. **'By and large'** means generally or for the most part, used to summarize or give an overall impression of a situation or discussion.
7. **'Odds and ends'** refers to miscellaneous small items, often used when organizing or cleaning, describing things that don't fit into a specific category.
8. **'Peace and quiet'** refers to a calm and silent environment, often desired for relaxation or concentration, free from noise and disturbance.
9. **'Now and then'** means occasionally or from time to time, used to describe events or actions that happen infrequently.
10. **'Black and white'** refers to situations that are clear and straightforward, without ambiguity, often used to describe clear-cut decisions or rules.
11. **'Trial and error'** is a problem-solving method involving repeated attempts and learning from mistakes, common in learning new skills or solving complex problems.
12. **'Pros and cons'** refers to the advantages and disadvantages of a situation, helping in decision-making by weighing positive and negative aspects.
13. **'Safe and sound'** means being unharmed and in good condition, often used to reassure someone about another's well-being after a journey or event.
14. **'Back and forth'** describes a repetitive movement or exchange, like a conversation or pacing. It's commonly used to describe discussions or physical movements.
15. **'Like chalk and cheese'** means two things are completely different from each other. For example: Although they're twins, their personalities are like chalk and cheese — one's outgoing and the other's very shy."
