ELTE Body Idioms & Answer Key – quiz 10

Answer Key:

1. **'Have your head in the clouds'** means to be daydreaming or not paying attention. It's used when someone is lost in thought, like a student not listening in class.
2. **'Get something off your chest'** means to express a concern or worry. It's used when someone needs to talk about something that's been bothering them, like sharing a secret.
3. **'Bite your tongue'** means to stop yourself from speaking. It's used when someone wants to say something but decides it's better not to, like holding back a rude comment.
4. **'Play it by ear'** means to improvise or decide as you go. It's used when someone doesn't have a set plan, like deciding what to do on a spontaneous day out.
5. **'Keep your chin up'** means to stay positive in difficult times. It's encouragement to remain hopeful, like telling a friend to stay strong during a tough situation.
6. **'Give someone the cold shoulder'** means to ignore or be unfriendly. It's used when someone is deliberately being distant, like not speaking to a friend after an argument.
7. **'Have a chip on your shoulder'** means to be easily angered or resentful. It's used when someone is looking for a fight or feels wronged.
8. **'Stick your neck out'** means to take a risk. It's used when someone does something that could have negative consequences, like defending a controversial opinion.
9. **'Pull someone's leg'** means to joke or tease someone. It's used when someone is not being serious, like telling a funny story that isn't true.
10. **'Have a change of heart'** means to change one's opinion or feelings about something. It's often used when someone decides to do something different than originally planned.
11. **'Face the music'** means to accept the consequences of one's actions. It's used when someone must deal with the results of their decisions, like admitting a mistake at work.
12. **'Cost an arm and a leg'** means something is very expensive. It's used to describe high costs, like buying a luxury car.
13. **'Lend a hand'** means to help someone. It's a common expression used when someone needs assistance, like helping a friend move furniture.
14. **'Get cold feet'** means to become nervous about a decision. It's often used when someone is about to do something important, like getting married, and suddenly feels unsure.
15. **'Keep an eye on'** means to watch closely. It's used when you need to monitor something or someone. For example, a teacher might keep an eye on students during a test.
