## 1. ELTE Nouns turning into Verbs quiz 26

What does 'to mirror' mean when used figuratively about someone's behavior?

- ☐ A To challenge authority
- ☒ B To reflect or imitate behavior
- ☐ C To innovate with new ideas
- ☐ D To conceal true intentions

**i** Figuratively, 'to mirror' involves imitating or reflecting others' actions, like a mirror does with images, often to empathize or build rapport.

## 2. What does 'to anchor' typically mean in a metaphorical sense?

- ☐ A To initiate a process
- ☐ B To weigh down or burden
- ☐ C To restrict movement
- ☒ D To provide stability or support

**i** Figuratively, 'to anchor' signifies offering stability, similar to how anchors keep ships steady despite currents. It implies emotional or social grounding.

## 3. What is the figurative meaning of 'to stomach' in the context of handling a situation?

- ☒ A To tolerate or endure something unpleasant
- ☐ B To have digestion problems
- ☐ C To consume food quickly
- ☐ D To reject or avoid an idea

**i** 'To stomach' means to endure difficulty, derived from how the stomach processes food, implying digestion of a tough situation; to be able to accept an unpleasant idea or watch something unpleasant. For example: They found the violence in the film hard to stomach.

4. In a sentence, what does 'to pen' mean, for example: He penned a note of thanks to his friends?

- ☐ A To select randomly
- ☐ B To draw a boundary
- ☐ C To capture or imprison someone
- ☒ D To write or author something

i 'To pen' figuratively means to write, inspired by the literal use of a pen for writing. Authors 'pen' articles or books.

5. What is meant by "blanketed" in "The city was blanketed in fog"?

- ☐ A Removed entirely
- ☐ B Exposed slightly
- ☒ C Covered completely
- ☐ D Kept warm

i 'Blanketed' as a verb refers to being covered entirely, much like how a blanket covers a surface or person, creating an encompassing layer.

6. What does "bridge" signify as a verb in "They bridged the gap between generations"?

- ☒ A Connect or bring together
- ☐ B Construct new facilities
- ☐ C Create lasting separations
- ☐ D Enhance existing options

i 'Bridge' as a verb means creating connections or resolving differences, similar to how a physical bridge connects opposite sides.

7. What does "harbor" indicate as a verb in "She harbored doubts about the plan"?

- ☐ A Express openly what you feel and think
- ☒ B To think about or feel something, usually over a long period
- ☐ C Protect from harm
- ☐ D Reject strongly

i 'Harbor' means to think about or feel something, usually over a long period of time, for example: There are those who harbour suspicions about his motives.

**8.** In the phrase "He nailed the presentation," what is implied by "nailed"?

- A** Attached firmly
- B** Hit forcefully
- ✓ **C** Performed extremely well
- D** Completed quickly

**i** 'Nailed' indicates doing something exceptionally well, much like hitting a nail with precise accuracy. It's a metaphor for achieving success with skill.

**9.** In the sentence "Let's pencil in a meeting for next week," what does "pencil in" mean?

- A** Erase a scheduled event
- ✓ **B** Tentatively schedule
- C** Sketch an idea
- D** Finalize confidently

**i** 'Pencil in' suggests making tentative or provisional plans, as penciled notes can be easily altered. Example: We'll pencil in the dates for the next two meetings and confirm them later.

**10.** What does "chair" mean as a verb in "He will chair the meeting"?

- A** Make something comfortable for others
- B** Dismiss from a meeting
- C** Organize a meeting
- ✓ **D** Lead or preside over

**i** To 'chair' a meeting means to lead or preside over it. The noun 'chair' refers to the leading position. Examples are similar to chairing a committee.

**11.** What does it mean to 'spot' a mistake in a document?

- A** To fix it immediately
- B** To create new errors
- C** To ignore its presence
- ✓ **D** To identify or notice it

**i** To 'spot' as a verb means to identify or notice something. Just as you see spots, figuratively spotting errors means recognizing or detecting them, much like editors spot errors in manuscripts.

**12.** What does the expression 'chin up' commonly imply?

- ☐ A To raise actual chin
- ☐ B To avoid looking directly
- ☐ C To lower one's head
- ☒ D To stay positive or motivated

**i** 'Chin up' is an idiomatic expression meaning to stay positive or maintain motivation in tough situations.

**13.** In the context of 'fuel', what does it mean in 'His remarks fueled the debate'?

- ☒ A To intensify or provoke
- ☐ B To provide gas or energy
- ☐ C To disguise or cover
- ☐ D To calm or soothe

**i** 'Fueled' here means to intensify or provoke, akin to adding fuel to a fire to make it burn more fiercely.

**14.** In the sentence 'I had to elbow my way through the crowd,' what does 'elbow' mean?

- ☒ A To push through with effort
- ☐ B To move quickly
- ☐ C To injure your elbow
- ☐ D To politely navigate

**i** The verb 'elbow' is used figuratively to describe pushing through a crowd forcefully, much like using one's elbows in a physical sense.

**15.** In the sentence 'He shouldered the responsibility of leading the team,' what is the figurative meaning of 'shouldered'?

- ☐ A Literally carried something heavy
- ☐ B Shrugged off a task
- ☐ C Decorated with shoulder patches
- ☐ D Used his shoulders physically
- ☒ E Accepted and took on a burden

**i** 'Shouldered' means to take on a burden or responsibility, similar to carrying weight on one's shoulders. This figurative use suggests accepting and managing the task. For example, 'She shouldered the leadership after the manager left.'
