# ELTE The word 'point' quiz 29

---

## 1. ELTE The word 'point' quiz 29

The word '**point**' can be used in idioms, phrasal verbs and set expressions

In the sentence 'The teacher made her point clear,' what does 'point' mean?

- ☐ A A moment in time
- ☐ B A unit of scoring in a game
- ☐ C A location or position in space
- ☒ D An argument or idea being presented

**i** 'Point' refers to the main idea or argument made by the teacher. It's often used to indicate clarity in discussions or debates.

## 2. In the sentence 'He scored the winning point,' what does 'point' mean?

- ☐ A A sharp end of an object
- ☒ B A unit of scoring in a game
- ☐ C A location or position in space
- ☐ D An argument or idea being presented

**i** 'Point' refers to a scoring unit in games, such as basketball or tennis, where points indicate scores or achievements.

## 3. In the sentence 'We reached the highest point of the mountain,' what does 'point' mean?

- ☐ A A moment in time
- ☐ B A unit of scoring in a game
- ☒ C A location or position
- ☐ D A well presented idea

**i** 'Point' refers to a specific location or position, such as the peak of a mountain. It's often used to describe geographical or spatial positions.

**4.** In 'The meeting was pointless,' what is the meaning of 'pointless'?

- ☒ **A** No purpose or usefulness
- ☐ **B** A moment in time
- ☐ **C** No location
- ☐ **D** A unit of scoring in a game

**i** 'Pointless' refers to not having an underlying purpose or usefulness. Here it means the absence of a clear goal or reason for the meeting.

**5.** In 'She pointed to the clock,' what does 'pointed' mean?

- ☐ **A** Made a scoring achievement
- ☐ **B** Identified a problem
- ☒ **C** Directed attention or indicated
- ☐ **D** Declared a decision

**i** 'Pointed' refers to directing attention towards something, such as physically indicating an object with a finger.

**6.** In the phrase 'At that point in time,' what does 'point' mean?

- ☐ **A** An argument or idea being presented
- ☐ **B** A location or position in space
- ☒ **C** A specific moment or date
- ☐ **D** A crucial part of a discussion

**i** 'Point' refers to a specific moment in time, used to mark or denote an event's occurrence.

**7.** In 'He pointed out the flaws in the argument,' what does 'pointed out' mean?

- ☒ **A** Noticed and brought to attention
- ☐ **B** Made a sharp scoring achievement
- ☐ **C** Physically indicated with a finger
- ☐ **D** Ended the discussion firmly

**i** 'Pointed out' means bringing something to attention, such as identifying and highlighting issues in a statement or argument.

**8.** In 'From my point of view,' what does 'point of view' mean?

- A** A scoring position in a game
- B** A physical location of observation
- ✓ **C** A personal perspective or opinion
- D** A strategic advantage

**i** 'Point of view' refers to one's personal perspective or angle, indicating how someone perceives or interprets a situation.

**9.** In 'He made a good point during the debate,' what does 'point' mean?

- A** A location marked on a map
- B** A sharp end of an object
- C** A round in a competition
- ✓ **D** A valid argument or idea

**i** 'Point' refers to a well-made argument or valid idea presented during discussions or debates, often highlighting insight or reasoning.

**10.** What does 'point of no return' mean in expressions?

- A** The highest point on a scale
- B** A geographical point
- ✓ **C** A stage where reversal is impossible
- D** A goal that can't be missed

**i** 'Point of no return' is a figurative term for a critical stage in a process beyond which reversal is not possible, often used in decision-making.

**11.** In 'The bullet struck the target dead center point,' what does 'point' mean?

- A** A crucial point in debate
- B** A marking of high scores
- ✓ **C** Exact location or position
- D** Minimal physical distance

**i** 'Point' here denotes a precise position or exact spot, such as the center of a target in shooting practice.

**12.** When someone says 'The turning point in my career was the promotion,' what does 'turning point' signify?

- ☐ A A routine job change
- ☒ B A pivotal job change
- ☐ C A temporary job setback
- ☐ D A minor job change

**i** 'Turning point' signifies a pivotal or critical moment that causes a major shift in direction. In a career context, it might mean an event that significantly affects future prospects. For example, a promotion leading to new opportunities.

**13.** In the context 'He is on the point of giving up his job,' what does 'on the point of' mean?

- ☐ A Unlikely to happen
- ☒ B About to happen
- ☐ C Recently completed
- ☐ D In the middle of something

**i** 'On the point of' means that something is about to happen soon. It indicates that an action or event is imminent. For example, a student may be on the point of graduating if they are about to complete their final exam.

**14.** What does 'point taken' imply in this context: 'After she explained her view, he nodded and said, point taken'?

- ☐ A He didn't hear her
- ☒ B He acknowledged her argument
- ☐ C He didn't hear her
- ☐ D He disagreed with her

**i** Point taken shows understanding and acknowledgment of another's perspective. In debates, saying 'point taken' can mean 'I understand your argument' before presenting another view.

**15.** In the sentence 'John missed the point during the meeting', what does 'missed the point' mean?

- ☐ A Made a good suggestion
- ☒ B Failed to understand the main idea
- ☐ C Agreed with everyone
- ☐ D Made a good suggestion

**i** Missing the point means not understanding the main message. For example, if everyone discusses recycling and he talks about eating habits, he 'missed the point'.
