## 1. ELTE Adjectives with self- quiz 51

Which adjective describes a person who is excessively focused on their own importance and abilities?

- ☒ A Self-centered
- ☐ B Self-conscious
- ☐ C Self-motivated
- ☐ D Self-assured

**i** Self-centered individuals prioritize their own needs over others. This term is often used to describe people who act primarily in their own interest, disregarding others needs.

## 2. What is the term for someone always aware of their appearance and worrying about being judged?

- ☐ A Self-reliant
- ☐ B Self-confident
- ☐ C Self-indulgent
- ☒ D Self-conscious

**i** Self-conscious individuals are often overly aware of themselves and fear judgment. This term is used for people who are overly worried about how they are perceived.

## 3. How do you describe someone who is capable of thinking and acting independently without much support (positive quality)?

- ☐ A Self-critical
- ☒ B Self-reliant
- ☐ C Self-centered
- ☐ D Self-conceited

**i** A self-reliant person trusts their own abilities and takes responsibility for their needs. They need little outside help, making them independent.

**4.** What term is used for someone who shows confidence and is assured of their abilities?

- ☐ A Self-deceptive
- ☐ B Self-important
- ☐ C Selfish
- ☒ D Self-confident

**i** Self-confident individuals believe in their abilities and are secure with who they are, which can positively influence their interactions and decisions.

**5.** What term describes someone who is modest and downplays their own skills and abilities (positive quality)?

- ☒ A Self-effacing
- ☐ B Self-centered
- ☐ C Self-motivated
- ☐ D Self-sufficient

**i** Self-effacing people often hide their talents and accomplishments and prefer not to draw attention to themselves, exhibiting a humble, modest personality.

**6.** How do you describe someone who indulges their desires freely with little restraint?

- ☐ A Self-controlled
- ☐ B Self-respecting
- ☒ C Self-indulgent
- ☐ D Self-disciplined

**i** Self-indulgent individuals give in to their own whims and desires easily, often at the expense of responsibilities or self-discipline.

**7.** What adjective describes a person who is overly critical of their own actions or appearance?

- ☒ A Self-critical
- ☐ B Self-assured
- ☐ C Self-disciplined
- ☐ D Self-reliant

**i** Self-critical people have a tendency to harshly judge themselves, often focusing on perceived flaws instead of achievements, negatively impacting self-esteem.

**8.** Identify the adjective that describes a person or thing that does not need to interact with others for function.

- ☒ **A** Self-contained
- ☐ **B** Self-contented
- ☐ **C** Self-employed
- ☐ **D** Self-sufficient

**i** Self-contained describes something complete and independent. A self-contained unit in electronics functions without external power. A self-contained person does not have a large number of relationships with other people or does not depend on others for support

**9.** Which term describes someone who relies mostly on themselves and needs little help from others?

- ☐ **A** Self-conscious
- ☒ **B** Self-sufficient
- ☐ **C** Self-deceiving
- ☐ **D** Self-pitying

**i** A self-sufficient person can fulfill their own needs without needing much outside assistance. They manage their affairs independently.

**10.** What adjective defines a person who has control over their emotions and actions?

- ☐ **A** Self-promoting
- ☒ **B** Self-disciplined
- ☐ **C** Self-defeating
- ☐ **D** Self-effacing

**i** Self-disciplined individuals can regulate their behaviors and emotions, often reaching personal and professional goals due to this ability.

**11.** Which adjective would you use to describe a person that feels sorry for themselves often?

- ☐ **A** Self-effacing
- ☐ **B** Self-confident
- ☐ **C** Self-motivated
- ☒ **D** Self-pitying

**i** Self-pitying individuals wallow in their misfortunes and often dwell on problems, feeling sorry for themselves, instead of seeking solutions.

**12.** What adjective describes someone excessively congratulating themselves?

- ☐ A Self-confident
- ☒ B Self-congratulatory
- ☐ C Self-aware
- ☐ D Self-disciplined

**i** Self-congratulatory individuals excessively praise their own achievements, often to boost their ego or gain recognition from others.

**13.** What do you call an individual who runs their own business rather than being employed by a company?

- ☐ A Self-contented
- ☐ B Self-sufficient
- ☒ C Self-employed
- ☐ D Self-contained

**i** Self-employed refers to those owning or operating their business. Freelancers are examples of self-employed individuals.

**14.** What term describes someone who acts in a way that ultimately sabotages their own success?

- ☐ A Self-disciplined
- ☐ B Self-conscious
- ☐ C Self-important
- ☒ D Self-defeating

**i** Self-defeating is used for behaviors that hinder one's success despite intentions for the opposite. Such actions often stem from underlying doubts or fears.

**15.** What term is used for a person who is content with their own being and does not rely on external validation for happiness?

- ☐ A Self-contained
- ☐ B Self-employed
- ☐ C Self-sufficient
- ☒ D Self-contented

**i** Self-contented describes individuals who are satisfied with themselves. An example is someone who finds joy in personal hobbies.
